FEATURING:

MICHAEL O'BRIEN

Dove award-winning artist Michael O'Brien is probably most known from his 7 year tenure as lead singer of the Christian band Newsong. But, he has actually been in the music ministry for some 20 years now and has built a reputation as an incredibly gifted singer/songwriter with a heart for ministering to the body of Christ.

Throughout his career as a solo artist and with Newsong, Michael has been featured on countless national television and radio programs. He and his wife Heidi have shared their testimony on marriage restoration on programs including The Billy Graham Association, Family Life Today, The 700 Club, Life Today, the TBN and Daystar Networks, Babbie's Place, Rick and Bubba Show and Faith Café, just to name a few.
